Call for Expression of Interest

**Assignment for the Preparation of a Strategic Plan for the purpose of furthering and
developing the rubber industry in Sri Lanka.**

The Rubber Research Board, taking the current challenges faced by the rubber plantations and rubber product manufacturing sectors into consideration, decided to develop a national plan towards:

1. Increasing the natural rubber annual productions to 100,000 metric tons per year and beyond
2. Increase annual exports to USD 2.0 billion per year and beyond.

The Rubber Research Institution of Sri Lanka (RRSL), managed by the Rubber Research Board, is collaborating with relevant ministries, the Rubber Development Department, and other stakeholders to achieve these objectives.

By order of the Rubber Research Board, RRISL invites an Expression of Interest (EOI) from a professional or expert with a proven track record in providing and formulating plans for the rubber sector while developing the strategic plan for RRISL for the period of 2024–2030. The expert is expected to review the draft strategic plan already prepared by RRISL, other plans developed by the stakeholders, hold discussions with the stake holder of state and private sectors, and finalize the plans. The assignment shall be for a period no longer than two months, from the date of signing the agreement.

Interested experts with industry exposure and experience must provide information indicating that they are qualified to perform this services. (brochures, descriptions of similar assignments, experience in similar conditions, availability of appropriate staff, etc.)

Expression of interest should contain a list of activities intended to undertake and the associated cost in Sri Lankan Rupees. Deadline for submission of the EOI will be on or before 2.00 P.M 15th January 2024 by sending the proposal to reach the e-mail address rrislprocurement@gmail.com. For more information and inquiries please contact the Actg. Director, Rubber Research Institute of Sri Lanka; Dartonfield, Agalawatta, 0772931073 or rrislldr@gmail.com
