COMMUNITY INFRASTRUCTURE

RUBBER RESEARCH INSTITUTE OF SRI LANKA

REQUEST FOR EXPRESSION OF INTEREST (EOI)

Calling proposals for developing Technical Standards (TS) / Code of Practices (CoP) for the Sustainability Certification System for Natural Rubber (SCSNR) in Sri Lanka - RRISL/PRO/ARU/SP-SCSNR/2026/38

The Rubber Research Institute of Sri Lanka (RRISL) invites Expressions of Interest from eligible consulting firms or individual experts to provide consultancy services for the development of Technical Standards (TS) / Code of Practices (CoP) for the project titled, "Development of Sustainability Certification System for Natural Rubber (SCSNR) in Sri Lanka". The SCSNR covers the components of the sustainability framework: agronomic and manufacturing practices, social responsibilities, environmental safeguards, transparent and traceability monitoring mechanisms.

Interested parties must prove their eligibility to perform the required services by providing evidence on:

- Professional qualifications and experience obtained locally/internationally in the relevant field.
- Capacity to conduct field-based assessments and ability to work with sector stakeholders.

Expressions of Interest must be submitted on or before 15:00 HRS Sri Lankan time (GMT+5:30) 04-May-2026 through e-mail rrislprocurement@gmail.com. Screened entities will be provided with the Terms of Reference (TOR) and may submit their proposals within two weeks (on or before 15:00 HRS Sri Lankan time (GMT+5:30), 18 -May-2026 via registered post to the address mentioned below.

For any clarification or further details, you may contact Dr. Enoka Munasinghe, Mob. +94 77 2642469, Off. +94 342247426/48458, e-mail. enokamunasinghe@yahoo.com

Late proposals will not be accepted.

Chairman, Department Procurement Committee (Minor)
